

U.S. Environmental Protection Agency

Historically Black Colleges and Universities/Minority Institutions Initiatives August 14, 2018

**Denise Sirmons, Director
Office of Small and Disadvantaged
Business Utilization**

Highlights of EPA Initiatives

Underlying EPA Goals

- Expand outreach activities
- Enhance diversity of job applicants
- Increase participation of Institutions in funding opportunities

EPA Commitment

- Established a Program Manager
- Designated an Executive Champions for each Initiative
- Maintains a central Coordinator for each program and regional office
- Participates in Interagency Workgroups

Student and Faculty Outreach

- Supports career fairs, conferences and workshops
- Utilizes Memoranda of Understanding to build productive relationships with Institutions
- Supports Intergovernmental Personnel Act agreements
- Provides technical assistance regarding EPA programs

Funding Opportunities

- Developed a standardized clause for grant opportunity announcements to encourage participation
- Notifies Institutions through a listserv of funding opportunities authorized under the EPA's Brownfields Program
- Provides informational webinars

Resources

▣ Information on EPA's Financial Assistance Programs:

www.epa.gov/grants

▣ Information on Financial Assistance Opportunities:

- www.beta.SAM.gov – Provides detailed public descriptions of federal assistance listings for a “big picture” of funding options
- www.grants.gov – Provides a centralized location for grant seekers to find and apply for federal funding opportunities

U.S. Army Commands (ACOMs)

**U.S. Army
Forces Command**

Force Readiness

**U.S. Army Training
and Doctrine Command**

Training and Doctrine

**U.S. Army
Futures Command**

Force Modernization

**U.S. Army
Materiel Command**

Materiel Readiness

Prevent: *The Army prevents conflict by maintaining credibility based on capacity, readiness and modernization*

Shape: *The Army shapes the environment by sustaining strong relationships with other Armies, building their capacity, and facilitating strategic access*

Win: *If prevention fails, the Army rapidly applies its combined arms capabilities to dominate the environment and win decisively*

Ensuring Army Combat Readiness

U.S. Army Materiel Command

MISSION

Army Materiel Command Develops and Delivers Materiel Readiness Solutions to Ensure Globally Dominant Land Force Capabilities

VISION

Army Materiel Command is Operationalized as the Army's Materiel Integrator, Synchronizing Capabilities and Resources to Ensure Army Materiel Readiness

Army Materiel Command – Sustaining the Strength of the Nation!

U.S. Army Materiel Command

SecArmy Top Priorities

Honorable
Dr. Mark Esper
Secretary of the Army

- **Enduring Priorities:**
 - People (Soldiers, Civilians, Families)

Our Army – America's Force of Decisive Action

Army Materiel Command's Lines of Effort

Strategic Readiness

Army Materiel Command Operationalizes Its Essential Functions at the Tactical, Operational, and Strategic Levels to Assure Sustainable Readiness

Army-wide Sustainment

Readiness of the Army – Train, Maintain, Equip, and Lead

Future Force

Army Materiel Command is Postured at Echelon to Synchronize and Integrate S&T and R&D to Defeat Any Adversary

Materiel Development

Materiel Readiness

Developing the Army for the Future

Sustainable Readiness

Soldiers & People

Army Materiel Command Ensures Logistics Corps Soldiers and the Civilian Workforce are Trained and Ready to Execute Directed Missions in Support of Army Priorities and Missions

Force Projection

Take Care of Soldiers, Civilians, and Families

Battlefield Sustainment

Operationalizing Our Output to Meet Army Requirements

Army Materiel Command Strategic Initiatives

Army-wide Sustainment

- Shaping Army Sustainment to best meet Army readiness requirements
- Ensuring Combat Service Support unit readiness through manning, training, and equipping

Materiel Development

- Supporting acquisition life cycle by providing sustainable materiel solutions
- Leveraging Science and Technology/Research and Development to provide leading superior products

Materiel Readiness

- Synchronizing and integrating the supply chain
- Divesting excess Army equipment and improving Equipment on Hand (EOH)

Sustainable Readiness

- Optimizing our Organic Industrial Base to meet Army equipping needs
- Receive, store and issue munitions in support of wartime requirements
- Building Partner Capacity through security assistance programs

Force Projection

- Optimizing End-to-End ... Fort to Port ... Port to Port ... Port to Foxhole intentional and expeditiously
- Configuring Army Prepositioned Stocks to assure rapid, sufficient and capable land power

Battlefield Sustainment

- Providing contracting solutions to deliver operational support anywhere the fight takes us (Expeditionary, Installation, and Acquisition/Programs)
- Synchronizing and Integrating AMC's strategic capabilities to the battlefield

Improving Army Readiness

AMC Provides Video – 4:33
