

Office of
Small Business Programs (OSBP)
where small business makes a **big** difference

Dream Chaser model. (NASA EDGE/Ron Beard)

NASA Vendor Data Base 

The NASA Vendor Data Base (NVDB) is open to all vendors, both large and small, who wish to do business with the National Aeronautics and Space Administration (NASA). As a representative of your company, you can post capability briefs and register to receive e-mail updates regarding Sources Sought Notices, Requests for Information (RFIs), Requests for Proposals (RFPs), the Office of Small Business Programs (OSBP) quarterly newsletter, outreach event notifications, and much, much more!

Join the NVDB. Don't have an account? Join today! 

Steps To Register for the NVDB:

(Note: Please have your DUNS number available during the registration process.)

1. Create a VENDOR login.
2. You can either (1) start at the OSBP Web site (<http://www.osbp.nasa.gov>) and click the "Sign Up For NASA Vendor Database" button or (2) navigate directly to <https://vendors.nvdb.nasa.gov>.
3. Click the "Create Account" button, then enter your username and e-mail address.
4. You will receive two separate e-mails containing your username and password, respectively.
5. Using your new username and password (we recommend that you cut and paste), you may now enter the NVDB. (Note: Quotation marks are not a part of the password.)
6. Upon entering the NVDB, you will be prompted to update your password.
7. Enter your company DUNS number.
8. Verify that company data on the System for Award Management (SAM) has transferred by clicking on the "CCR" tab and selecting "correct" at the bottom of page. If the information is not correct, you must update the information in SAM, not NVDB. NVDB is updated daily from SAM.
9. Upload the relevant company information (e.g., capability brief).
10. When requested, renew your subscription annually. If you have forgotten your password, just request another. Remember that your username is your e-mail address.
